

LET US BE YOUR

IN-HOUSE iPad GENIUS

WHO WE ARE?

IS-TALK has been working with SERVPRO franchises for over 10 years and has been a "Preferred Vendor" for 6 years. Over the years we have gained an in-depth understanding of how a franchise operates and the advanced technological methods used in both communications and in-field data devices.

WHAT WE DO?

We have two iPad solutions
New iPads or BYOiPad
Both Solutions include

- Turn Key iPad managed experience we call "Turn on and go"
- iPads are pre-loaded with all the required SERVPRO applications
- Third-party apps a franchise may be using if applicable
- Full user support by our team when needed

WHY USE OUR SOLUTION

- #1 TURN ON AND GO** - We ship you an iPad configured with SERVPRO apps to your requirements in a protective case. All your user does is turn on and go!
- #2 PRESERVE CAPITAL** - Our subscription includes a 9th Gen iPad, device protection*, and a hard protective case all for a low monthly rate per user.
- #3 REMOTE ACCESS & CONTROL FOR SUPPORT** - This enables app updates keeping your iPads up-to-date to include bulk roll out of new apps along with real-time support for your users.
- #4 REMOTE WIPE & LOCK** - Keep your devices standardized and clear of clutter for optimal performance as well as avoiding harmful applications.
